For our status conference call scheduled for 11:00 on Monday, the dial in number is 1-800- [REDACTED] and the access code is [REDACTED]

In addition to Dominion's offer to file a written update at the end of the call, I would also like everyone's permission to record it as well. This recording would only be for internal record keeping, unless a discrepancy arose.

I look forward to hearing back from you about recording the call, and I look forward to speaking with everyone on Monday.

Josh.
